SELL-SIDE: Metal Recycling Services

Metal Recycling Services, Inc.

Metal Recycling Services collected and sold scrap metal to large steel mills nationally as well as internationally. ICG assisted the ownership team of MRS with a transaction in which the Company was sold to Nucor for \$57MM- a premium of 40% over offers received prior to ICG's involvement.

SELL-SIDE: Ajax Rolled Ring & Machine

Ajax produces rolled rings that are used as critical components for the power generation, oil and gas, military and industrial machinery markets. ICG assisted the ownership team of Ajax with a divestiture. The Company was sold to a private equity group for an amount 40% higher than offers received prior to ICG's involvement.

BUY-SIDE: Caron International

Caron, a division of National Spinning, is a manufacturer of craft products. ICG assisted Caron in its acquisitions of Westex Corporation, Hampton Art, KI Memories and Beaders Paradise. These transactions resulted in a diversification of its product line and created a platform for future growth.

RECAPITALIZATION: Associated Asphalt

Associated Asphalt is one of the largest independent asphalt resellers in the United States. Ownership sold 80% to Thayer | Hidden Creek.
